***Acknowledgement of Receipt of Privacy Practices Notice  
and  
Consent to Treatment***

I hereby voluntarily enter into treatment or give my consent for the minor or person under my legal guardianship to have treatment provided by a clinician affiliated with Post Trauma Resources, LLC. I agree to play an active role in all parts of the treatment process. I understand that no promises have been made to me as to the results of treatment or any procedures provided by the clinician.

I understand that the therapy may be discontinued at any time by either party. If treatment is discontinued, I will be responsible for payment for services already received. I understand that I may lose other services or may have to deal with other consequences if I stop treatment. For example, if my treatment has been court ordered or is required by my employer, there may be consequences with regard to the court order or my employment. I also understand that my symptoms may worsen if I stop treatment prematurely and do not pursue other treatment.

I know that I must call to cancel an appointment at least 24 hours before the time of the appointment. If I fail to attend a scheduled appointment and do not cancel, I will be charged for that appointment.

The confidentiality of patient records maintained by Post Trauma Resources, LLC is protected by Federal and/or State law and regulations. Generally, the therapist may **not** acknowledge to a person other than those employed within the therapy office that a patient is in treatment unless: 1) the patient consents in writing, 2) the disclosure is allowed by a court order, or 3) the disclosure is made to medical personnel in a medical emergency, or to qualified personnel for research, audit, or program evaluation. Clinicians are required by state law and professional obligations to report allegations of abuse or neglect of children or vulnerable adults to the appropriate authorities.

I am aware that an agent of my insurance company or other third party payer may be given information about the type(s), cost(s), date(s) and provider(s) of any services or treatments that I receive. I understand if payment for the services I receive here is not made by a third party payer, I will be responsible for the balance. If payment for services is not received, the clinician may terminate treatment.
